May 24-27, 2024

The 17th International Conference on eXtreme Programming and Agile Processes in Software Engineering (XP 2024) will be held in Edinburgh, UK, from May 24-27, 2024. XP is the leading conference on agile software development, and XP 2024 will bring together researchers and practitioners from around the world to share their latest findings and experiences.

The theme of XP 2024 is "Unlocking the Future of Technology." This theme reflects the conference's focus on the latest advancements in technology

and thought leadership. XP 2024 will feature a wide range of sessions on topics such as:

- Agile software development
- Extreme programming
- Test-driven development
- Continuous integration
- DevOps
- Cloud computing
- Artificial intelligence
- Machine learning
- Blockchain
- 5G
- The future of work

XP 2024 will also feature a number of keynote speakers, including:

- Dr. Alistair Cockburn, author of *Agile Software Development*
- Ms. Mary Poppendieck, co-author of *Lean Software Development*
- Dr. Tom DeMarco, author of *Peopleware*
- Mr. David Thomas, co-author of *The Pragmatic Programmer*
- Ms. Lisa Crispin, co-author of *Agile Testing*

XP 2024 is a must-attend event for anyone who wants to stay up-to-date on the latest advancements in technology and thought leadership. Register today to secure your spot!

Registration

Registration for XP 2024 is now open. Early bird rates are available until March 31, 2024.

To register for XP 2024, please visit the conference website:
