In *Boy: Memoir of Thru-Hiking the Pacific Crest Trail*, author Bill Bryson recounts his epic journey to hike the entire 2,650-mile Pacific Crest Trail. Bryson, a seasoned hiker, was inspired to take on the PCT after reading about it in a magazine. He was immediately drawn to the challenge of hiking such a long and remote trail, and he began planning his trip.

Bryson set off on his journey in April 2015, and he hiked for six months before reaching the northern terminus of the trail in Canada. Along the way, he encountered a variety of challenges, including extreme weather, difficult terrain, and loneliness. But he also experienced some of the most beautiful scenery in the world, and he met some amazing people along the way.

Boy is a gripping account of Bryson's journey, and it is filled with adventure, humor, and heartbreak. Bryson is a gifted storyteller, and he brings the trail and its people to life in vivid detail. Boy is a must-read for anyone who loves the outdoors or is looking for inspiration.
