An Enchanting Retelling of a Native American Classic

David Treuer, an Ojibwe author from the Leech Lake Reservation in Minnesota, has crafted a novel that both honors and subverts the original epic poem by Henry Wadsworth Longfellow. While Longfellow's romanticized version of the story has become iconic, Treuer's reinterpretation delves deeper into the complex historical and cultural context of the tale.

Set in the 1850s, *The Hiawatha Novel* follows the life of Nanapush, an Ojibwe man who recounts the tragic love story of his father, Hiawatha, and Minnehaha, a Dakota woman. As Nanapush weaves his narrative, Treuer masterfully weaves in elements of Ojibwe history, culture, and cosmology, creating a rich and authentic tapestry.

Love, Loss, and the Unbreakable Spirit

At the heart of *The Hiawatha Novel* lies a poignant exploration of human relationships. Hiawatha and Minnehaha's passionate romance is intertwined with the political and social turmoil of their time. Their love story becomes a testament to the resilience and enduring spirit of the Ojibwe people.

But love is not the only theme that runs through the novel. Treuer also examines the profound impact of loss and betrayal. *The Hiawatha Novel* is a deeply moving story about the search for meaning in the face of adversity.

A Multi-Layered Narrative That Captivates

David Treuer's writing in *The Hiawatha Novel* is both lyrical and unflinching. He effortlessly blends historical fact with myth and personal narrative, creating a multi-layered story that both informs and entertains.

The novel is narrated from the perspective of Nanapush, Hiawatha's son, which lends a deeply personal and intimate touch to the story. Treuer's prose is rich with evocative imagery and evocative language, drawing readers into the heart of the Ojibwe world.

A Critical and Commercial Success

The Hiawatha Novel has received widespread critical acclaim upon its release. It was a finalist for the National Book Award in 2021 and won the Minnesota Book Award for Fiction in 2022. The novel has also been praised by readers for its authenticity, emotional depth, and literary brilliance.
