Chapter 1: The Art of Polychrome Sculpting

In this introductory chapter, we delve into the captivating history of polychrome sculpture, tracing its origins to ancient times. You'll gain insights into the diverse techniques and materials employed by Sue Fliess and other renowned sculptors, igniting your passion for this unique art form.

Chapter 2: Preparing Your Canvas

Before you embark on sculpting, it's essential to prepare your canvas. This chapter provides a step-by-step guide to creating a sturdy and durable armature, the framework that supports the sculpture. You'll learn about different armature materials, including wire, wood, and foam, and how to combine them effectively.

Chapter 3: Sculpting with Clay

Clay, a versatile and malleable material, is the foundation of polychrome sculpture. In this chapter, Sue Fliess shares her secrets for working with clay, guiding you through the techniques of pinching, coiling, and slab

building. You'll learn how to create realistic forms, capture subtle details, and achieve the desired textures.

Chapter 4: Exploring Color and Texture

Color and texture are the lifeblood of polychrome sculpture. This chapter delves into the art of applying pigments, stains, and glazes, empowering you to create vibrant and visually stunning sculptures. Sue Fliess shares her favorite techniques for achieving realistic skin tones, metallic effects, and intricate patterns.

Chapter 5: Finishing Touches

Once the sculpture is complete, the finishing touches make all the difference. In this chapter, you'll learn how to seal and protect your artwork, ensuring its longevity. Sue Fliess also provides valuable tips on display techniques, lighting, and photography, helping you showcase your sculptures to their full potential.

Chapter 6: Case Studies and Inspiration

This captivating chapter features a gallery of Sue Fliess's stunning sculptures, along with detailed case studies that explore her creative process and unique techniques. You'll gain invaluable insights into the challenges and rewards of creating polychrome sculptures, inspiring you to push your artistic boundaries.

Unlock Your Inner Polychrome Sculptor

'Let's Build Sue Fliess' is the ultimate guide for aspiring and experienced sculptors alike, offering an unparalleled opportunity to learn from a master artist. Whether you're just starting out or seeking to refine your skills, this comprehensive resource will empower you to create enchanting polychrome sculptures that will captivate and inspire all who behold them.
