**A Hilarious True Story of Travel Misadventures**

As a flight attendant and cruise director, I've seen and heard it all. From the hilarious to the downright bizarre, I've got a treasure trove of stories to share.

In 'My Life With Loonies On Cruise Ship And In The Air,' I take you on a wild ride through my adventures, both on land and sea. You'll meet a cast of unforgettable characters, including:

- The passenger who thought it was a good idea to bring his pet pig on a cruise
- The flight attendant who got into a fistfight with a passenger over a bag of peanuts
- The cruise director who accidentally announced that the ship was sinking

But it's not all fun and games. I also share the challenges and heartaches that come with working in the travel industry. From dealing with difficult passengers to missing out on important life events, it's not always easy being a flight attendant or cruise director.

But through it all, I've learned to embrace the craziness and find the humor in even the most challenging situations. And I'm excited to share my stories with you in 'My Life With Loonies On Cruise Ship And In The Air.'

So if you're looking for a good laugh, or if you're just curious about what it's like to work in the travel industry, then this book is for you. I promise you won't be disappointed.
