David Gates, an acclaimed winemaker with over three decades of experience, is the driving force behind Omonolidee Morgado. Known for his pioneering spirit and unwavering pursuit of excellence, Gates has a proven track record of crafting exceptional wines that transcend the ordinary. His passion for innovation and his deep understanding of the terroir and grape varieties of Portugal have led him to create a project that will undoubtedly leave an indelible mark on the global wine landscape.

The Historic Estate of Morgado do Quintão

Morgado do Quintão, historic estate and home to Omonolidee Morgado

Nestled in the heart of the Douro Valley, the Morgado do Quintão estate is a living testament to the rich winemaking heritage of Portugal. With a history dating back to the 17th century, the estate has been meticulously preserved and modernized to provide the ideal setting for the creation of Omonolidee Morgado wines. The estate's unique combination of ancient vineyards, modern facilities, and a team of dedicated professionals ensures that every aspect of the winemaking process is executed with precision and passion.

The Concept of Omonolidee Morgado

The Omonolidee Morgado project is founded on a visionary concept that challenges traditional winemaking practices. By focusing on the expression of a single grape variety, the Touriga Nacional, and by employing innovative techniques throughout the winemaking process, Omonolidee Morgado seeks to create wines of unparalleled purity, complexity, and age-worthiness. The result is a range of exceptional wines that reflect the unique terroir of the Douro Valley and the boundless creativity of David Gates.

The 2024 Vintage: A Promise of Excellence

The 2024 vintage of Omonolidee Morgado is a culmination of meticulous planning, relentless dedication, and the unwavering pursuit of perfection. From the careful selection of grapes from the estate's finest vineyards to the innovative winemaking techniques employed in the cellar, no detail has been overlooked in the quest to create a wine of exceptional quality. The 2024 vintage promises to be a benchmark for Portuguese winemaking,

showcasing the full potential of the Touriga Nacional grape variety and the extraordinary talent of David Gates.

The Unique Terroir of the Douro Valley

The **Douro Valley**, a UNESCO World Heritage site and home to **Omonolidee Morgado**

The Douro Valley, a UNESCO World Heritage site, provides the ideal terroir for the production of exceptional wines. The region's unique combination of climate, soil, and topography creates a microclimate that is particularly suited to the cultivation of the Touriga Nacional grape variety. The steep, terraced vineyards, with their schist soils and abundant sunshine, impart a

distinctive character to the grapes, resulting in wines that are full-bodied, aromatic, and incredibly age-worthy.

The Innovative Winemaking Techniques of Omonolidee Morgado

At Omonolidee Morgado, innovation is not merely a buzzword; it is a driving force that permeates every aspect of the winemaking process. David Gates and his team have developed a range of groundbreaking techniques that enable them to extract the full potential of the Touriga Nacional grapes and create wines of unparalleled quality. From the use of wild yeasts during fermentation to the extended aging in a combination of new and seasoned oak barrels, every step of the winemaking journey is meticulously planned and executed.

The Exceptional Wines of Omonolidee Morgado

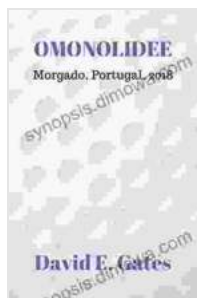

The wines of Omonolidee Morgado are a testament to the vision, dedication, and boundless creativity of David Gates and his team. Each wine is a masterpiece, crafted with precision and passion, showcasing the unique terroir of the Douro Valley and the exceptional qualities of the Touriga Nacional grape variety. From the vibrant, fruit-forward wines of the entry-level range to the complex, age-worthy wines of the reserve

collection, Omonolidee Morgado offers a diverse selection of wines that cater to every palate and occasion.
