

The Wages of Wins: How Capitalism Explains the Triumph and Collapse of the American Dream

In his groundbreaking book, *The Wages of Wins*, David Zweig exposes the hidden forces that have been undermining the American Dream for decades. In this meticulously researched and passionately argued work, Zweig demonstrates how the rise of shareholder capitalism has led to a widening gap between the wealthy and the working class, and how this trend has been exacerbated by the increasing concentration of economic power in the hands of a few corporations.

The Wages of Wins: Taking Measure of the Many Myths in Modern Sport by David J. Berri

Drawing on a wealth of data and case studies, Zweig shows how the relentless pursuit of profits has led to a decline in wages, benefits, and job security for workers, while enriching a small number of shareholders. He also argues that this trend has led to a decline in civic engagement and social mobility, as well as a rise in inequality and poverty.

The Wages of Wins is a must-read for anyone who wants to understand the challenges facing the American economy and the future of the American Dream. It is a powerful indictment of the current system and a call for change.

Praise for *The Wages of Wins*

"*The Wages of Wins* is a brilliant and devastating critique of American capitalism. Zweig shows how the relentless pursuit of profits has led to a decline in wages, benefits, and job security for workers, while enriching a small number of shareholders. This is a must-read for anyone who wants to understand the challenges facing the American economy and the future of the American Dream." —Robert B. Reich, former U.S. Secretary of Labor

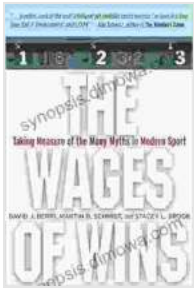

"*The Wages of Wins* is a powerful and important book. Zweig exposes the hidden forces that have been undermining the American Dream for decades. This book is a call for change and a must-read for anyone who cares about the future of our country." —Sherrod Brown, U.S. Senator from Ohio
