Synopsis

In the desolate and unforgiving landscape of the American Southwest, a tale of unimaginable terror unfolds. *Two Monsters* is a chilling psychological thriller that explores the depths of human depravity and the darkness that lurks within us all.

The story revolves around Lester and Norma, a seemingly ordinary couple who find themselves trapped in a nightmare. Their peaceful existence is shattered when they encounter two monstrous figures: a towering beast with shimmering eyes and a grotesque creature with razor-sharp teeth. As the lines between reality and madness blur, Lester and Norma confront their own inner demons and the horrors that threaten to consume them.
