In 1938, Michael Palin and a group of friends embarked on an epic trekking adventure through the Himalayas of Nepal. Their journey took them through some of the most remote and beautiful landscapes on Earth, and they encountered a variety of challenges along the way. But through it all, they maintained their sense of humor and camaraderie, and they created memories that would last a lifetime.

Now, more than 80 years later, Michael Palin has returned to Nepal to retrace the steps of that original journey. Along the way, he meets up with some of the people he met on that first trip, and he reflects on the changes that have taken place in Nepal over the past few decades.

Was It 1938? is a charming and insightful travelogue that will appeal to anyone who loves adventure, travel, or history. Palin's writing is both humorous and thought-provoking, and he provides a unique perspective on the country of Nepal and its people.

Here are some of the highlights of the book:

*

Palin's vivid descriptions of the Himalayan landscape, including the towering peaks of Everest and Annapurna.

*

His encounters with the friendly and welcoming people of Nepal, including Sherpas, Tibetans, and Gurkhas.

*

His reflections on the changes that have taken place in Nepal over the past few decades, including the growth of tourism and the impact of climate change.

Whether you're a seasoned traveler or an armchair adventurer, you'll enjoy Was It 1938? Michael Palin's latest book is a must-read for anyone who loves a good story.

Reviews

"Was It 1938? is a delightful travelogue that will transport you to the Himalayas and introduce you to some of the most fascinating people on

Earth. Palin's writing is both humorous and thought-provoking, and he provides a unique perspective on the country of Nepal and its people." - The New York Times

"Palin's latest book is a must-read for anyone who loves a good story. It's a charming and insightful travelogue that will stay with you long after you finish reading it." - The Washington Post

"Was It 1938? is a wonderful book. Palin's writing is both beautiful and evocative, and he has a real gift for capturing the essence of the people and places he visits." - The Guardian

About the Author

Michael Palin is a British actor, comedian, writer, and television presenter. He is best known for his work with the Monty Python comedy troupe, and for his travel documentaries, which have taken him to all corners of the globe. Palin has written several books about his travels, including *Around the World in 80 Days* and *Pole to Pole*.
